INTEGRATED REPORTING
Creating breakthroughs in thinking and reporting

International Integrated Reporting Council
Who is the IIRC?

Companies

Investors

NGOs

Regulators

Academics

Standard setters

Accounting
IIRC Vision

The IIRC’s vision is to align capital allocation and corporate behaviour to wider goals of financial stability and sustainable development through the cycle of integrated reporting and thinking.
The rise of multi-capitalism
The IIRC calls for

From ‘Financial capital market system’

to

‘Inclusive capital market system’

From ‘Silo reporting’

to

‘Integrated Reporting’

From ‘Short-term capital markets’

to

‘Sustainable capital markets’
Multi-capitalism and value creation

- Investor horizons
- Financial capital and value creation
- Sustainable development
- New business thinking
Through <IR>, organizations can ‘address more clearly resources that are not included in financial statements. The increasing awareness that environmental and societal restrictions have an impact on long-term value creation is also clear’.

Hans Hoogervorst, Chairman IASB
The role of <IR> in a green, inclusive and open economy

• Multi-capitals
• Strategy and business model focus
• Connectivity and trade offs
• Value for the organisation, value for others
• Alignment through Corporate Reporting Dialogue
<IR> as a pillar of 21st century governance
Organizations in the <IR> Business Network

Resources

Integrated Reporting Examples Database
Sharing real examples of leading practice in Integrated Reporting to help organisations on the <IR> journey

<IR> Training
Developing skills needed for effective adoption of <IR>

<IR> Network
Bringing together organisations worldwide to enhance the way they think, plan and report.
